

## A WORD FROM THE TVIC PRESIDENT

We hope you have enjoyed our 85<sup>th</sup> Anniversary special edition of the "The Progress." In reviewing all of the material we had on hand it was difficult to know where to begin, that is why we are so excited about the Tamalpais Valley Historical Guild.

The Guild is planning an open house in October in space that the Tamalpais Valley Fire Department on Poplar St. has loaned us. In many ways we have come full circle, if you re-call the Tam Valley Volunteer Fire Department got their beginnings in the Fine Old Hall on Maple St. This is the best description of community and sharing that we can think of.

The Tamalpais Valley Improvement Club relies solely on funds from membership, fund raisers, and contributions, so we are limited in what we can accomplish. Unfortunately, that is the reason "The Progress" has not been published in some time. We felt, however, that the 85<sup>th</sup> Anniversary of the TVIC was a very important event. For every accomplishment the Club achieved, there were members who volunteered their time to make them possible.

The exact date for the grand opening of the Tamalpais Valley Historical Guild in October has not yet been set. It will be posted on our bulletin board at Bell Market and on our web site at [www.tamvalley.org](http://www.tamvalley.org).

Thank you for joining us.
